They Call It--

"Pre-game Activity?"

As the year progressed the girls service clubs, Honoria, Sorrota, and Anchor decided it was about time for a show of strength. The result—Girls Basketball. The girls played four minute games during the half-time of the varsity games.

In the first game Sorrota toppled Anchor 2-0. The following week Honoria fell to Anchor 2-0. Honoria then followed with a 2-2 tie in a no-holds-barred show of feminine skill!

The purpose of the Student Council at MCC is to coordinate student-administration demands and come to reasonable, workable solutions, satisfactory to both. Besides successfully fulfilling their purpose, the SC this year has introduced numerous service and beautifying projects to the school: mirrors in stairwells, which Esther Candelaria makes use of at right; sponsored activities for CC's first Homecoming, 1966; installed "Sportsmanship Code" plaque in our gym; and, sold doughnuts and orange juice each morning.

The Honoria Juniors boost the "Class of '68."

Honoria service club, in its third year, has risen to the top in the field of service. Activities include: candy and bake sales; the winning float in CC's first Homecoming parade; the sale of "Worry Warts;" serving for the annual Football Banquet; providing a baby-sitting service for parents participating in the Adult Education Courses at MCC; giving the Honoria alumni a Christmas party; and filling a Thanksgiving and a Christmas basket with food for a needy family. All members must maintain a 3.0 scholastic average, and must have leadership qualities as well as the desire to be of service to their school and community.

Sorrota Juniors with Their Spice, Phil Snyderburn.

"Sorrota Serves" has come to mean candy and bake sales, Valentine roses, red blazers, and baby bracelets. Serving MCC is a big job in itself, but Sorrota still finds the time to help out at the Sunland Training Center, and to visit senior citizens at the Breezy Acres Rest Home. For that certain distinction, Sorrota has also had printed handbooks and decals for their members. Membership qualifications: 3.0 scholastic average and, of course, the willingness to serve.

Anchor, the newest girls' service club at MCC, has kept in the tradition of their predecessors, with green blazers and, of course, with many activities. Anchor will probably best be remembered by the 66-67 students at MCC, for the first "Slave Day."

Anchor's other projects throughout the year include a car wash, bake sales, popcorn sales, and a Christmas party given by them to the Breezy Acres Old Folks Home. An Anchor girl maintains a 3.0 scholastic average, and has lots of fun serving her school and her community.

HALL OF FAME

Doing things that are out of the ordinary is a Key Club special; like the annual Key Club Ball in December that turned out to be second only to the Inaugural Ball (would you believe second only to the Junior-Senior Prom?); of course, we can't forget their Homecoming float that tied for first place in the contest (float pictured below); MCC's "Hall of Fame" (pictured above) is a genuine tribute to those who have left us (they didn't die, they just graduated); finally, students and teachers alike will never forget the Key Club skits in our pep rallys, like the one pictured at right. Key's new members this year, all having a 3.0 scholastic average, are Vic Sinai, Scott Besley, Tim Rockwell, Steve Sessler, and Ted Gregor.

The officers . . .

Future Homemakers of America

The Future Homemakers of America, sponsored by Mrs. Whitlock and Mrs. Hiles, have not been making homes, as some might think. On the contrary, the F. H. A. girls have been doing worthwhile activities for our school. Profits from their services, which included bake sales, a Polynesian Luau, and the sale of orange and black yarn dolls, have contributed to the purchase of new equipment for the home economics department. F. H. A. officers are: President, Cathy Chumbley; Vice-President, Patsy Mappin; Secretary, Maureen McAffe; and Treasurer, Mary Pagano (pictured above).

PEP CLUB

Miss Gels certainly stands out in a picture, doesn't she? That's because, in this picture, she is serving as a period, and that's very important . . . really, it is . . .

The officers: Treasurer, Marv Terlecky; Veep, Donna Stevenson; and President, Frank Fulknier.

Junior Class Executive Board

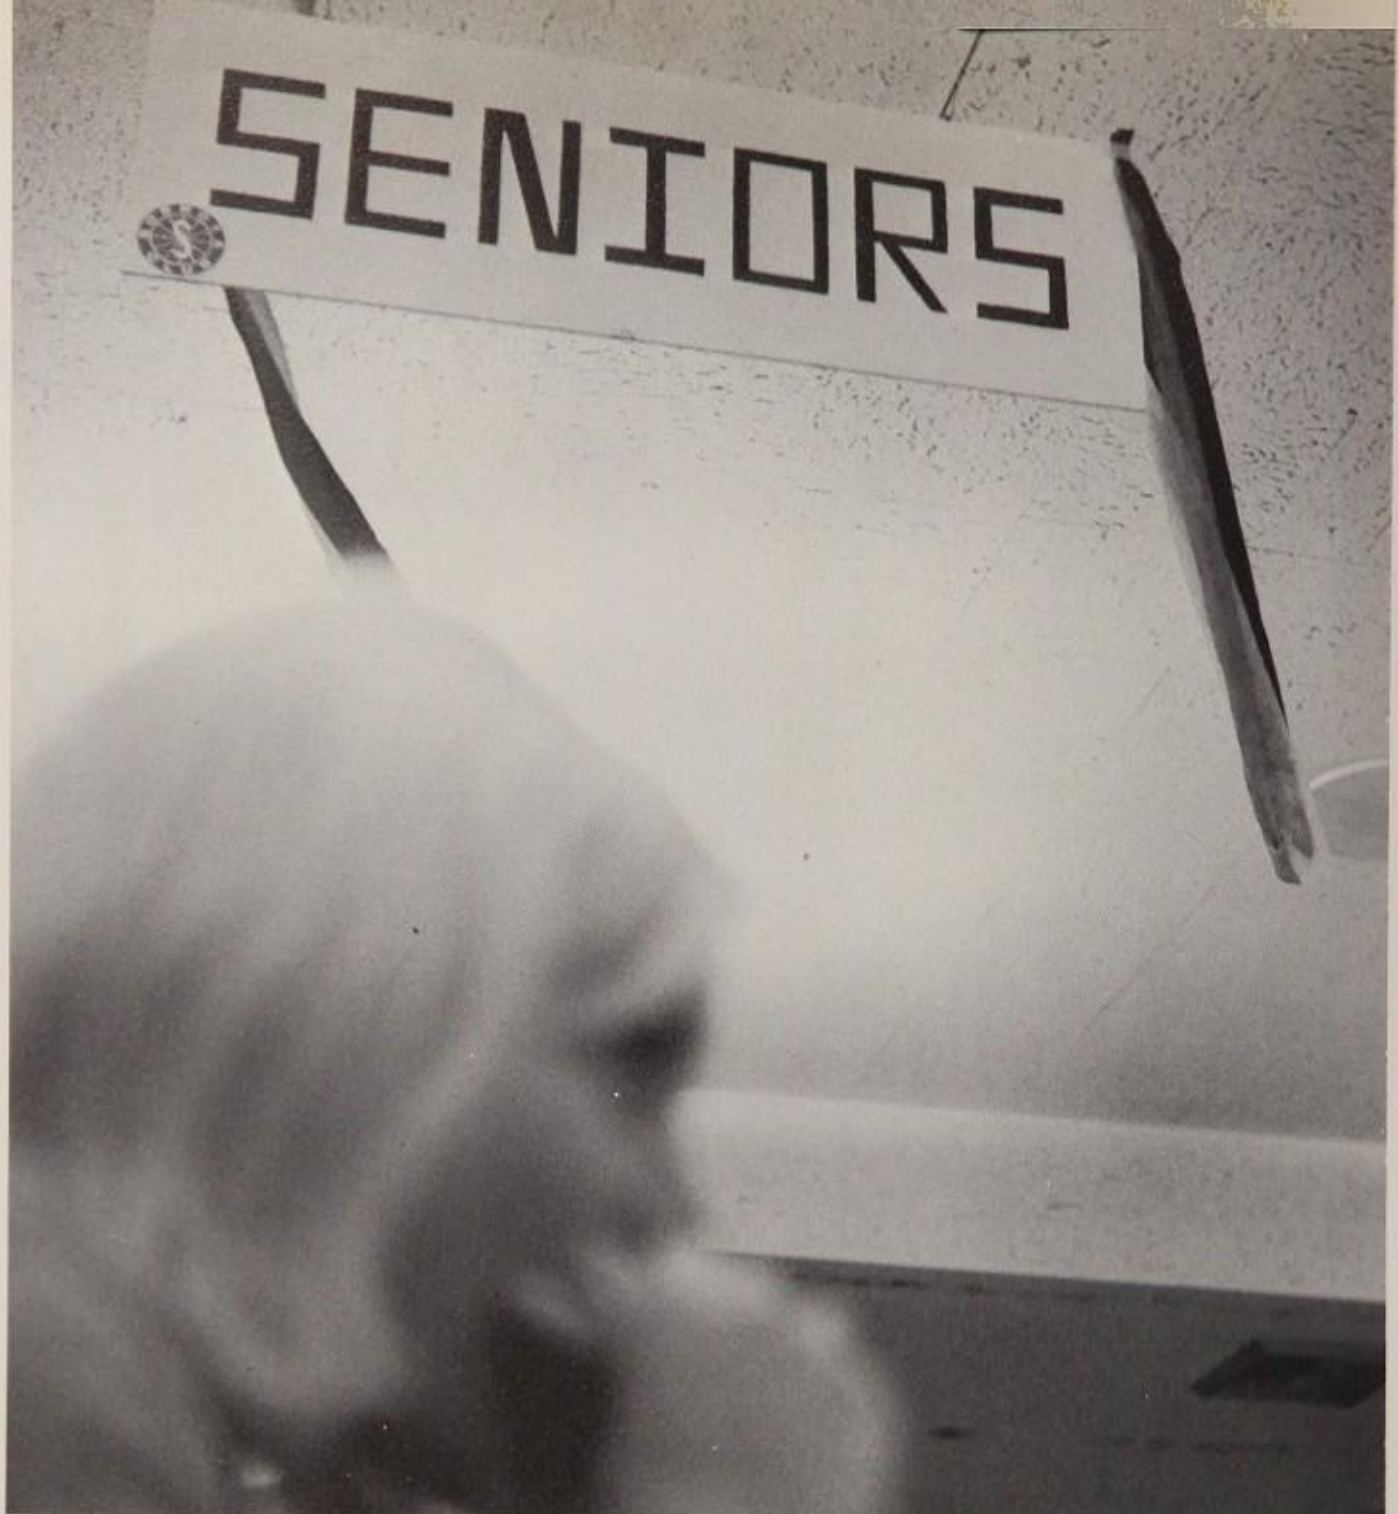
Have you ever wondered what the Junior Class Executive Board does at its meetings? The top picture looks as though they only worry about their hair, but, fortunately, they have more important things on their minds, such as the Junior-Senior Prom, and how they're going to get 100% of the Junior Class to pay its dues. This year's officers were President, Bill Penn; Vice-President, Steve Sessler; Secretary, Linda Molinary; and Treasurer, Janis Barrett.

DECA

These young people are trained to be efficient workers through classroom instruction and on-the-job training. In other words, they get paid while going to school . . . so how come more people aren't taking this short-cut to success?

Senior Senate

The Senior Senate, pictured below, is responsible for all the activities planned and undertaken by the Senior Class. Among those activities that will be best remembered by the seniors of the 1967 graduating class at MCC, was Senior Week, the Senior Banquet May 20th, and the Senior Prom. Senior colors this year were royal blue and gold. This year's Senior Class project was to order a bronze seal which was placed in the main hallway in front of the office. Now the year is gone and with it are gone over 800 students who will long remember 1967 at Miami Carol City Senior High School.



Senior Class officers: President, Bobby Freedman; Vice-President, Richard Molinary; Secretary, Bev Brenneke; Treasurer, Marvolyn Terlecky; Sponsors, Mr. Spencer and Miss Whitlock.

Would you believe that she also counsels students?

Jolly Mr. Spencer . . .

'll be here next year, Nana

The Marching Chiefs were on national television at the Miami Dolphin game, this year, along with FLIPPER!

Musical Chiefs

The Miami Carol City Marching Chiefs, lead by Brad Howarth, at right, have brought recognition to our school often in the past few years and this year was no exception. Services rendered to the city of Miami by the Marching Chiefs include marching in the Armistice Day Parade and the Orange Bowl Parade, performing a half-time show for the Miami Dolphins on national television (pictured above), participating in the half-time and pregame show for the annual Orange Bowl Classic, and selling Christmas cards. Of course, they have made a few mistakes here and there, but what difference do a few yards make if you are on national T. V.!

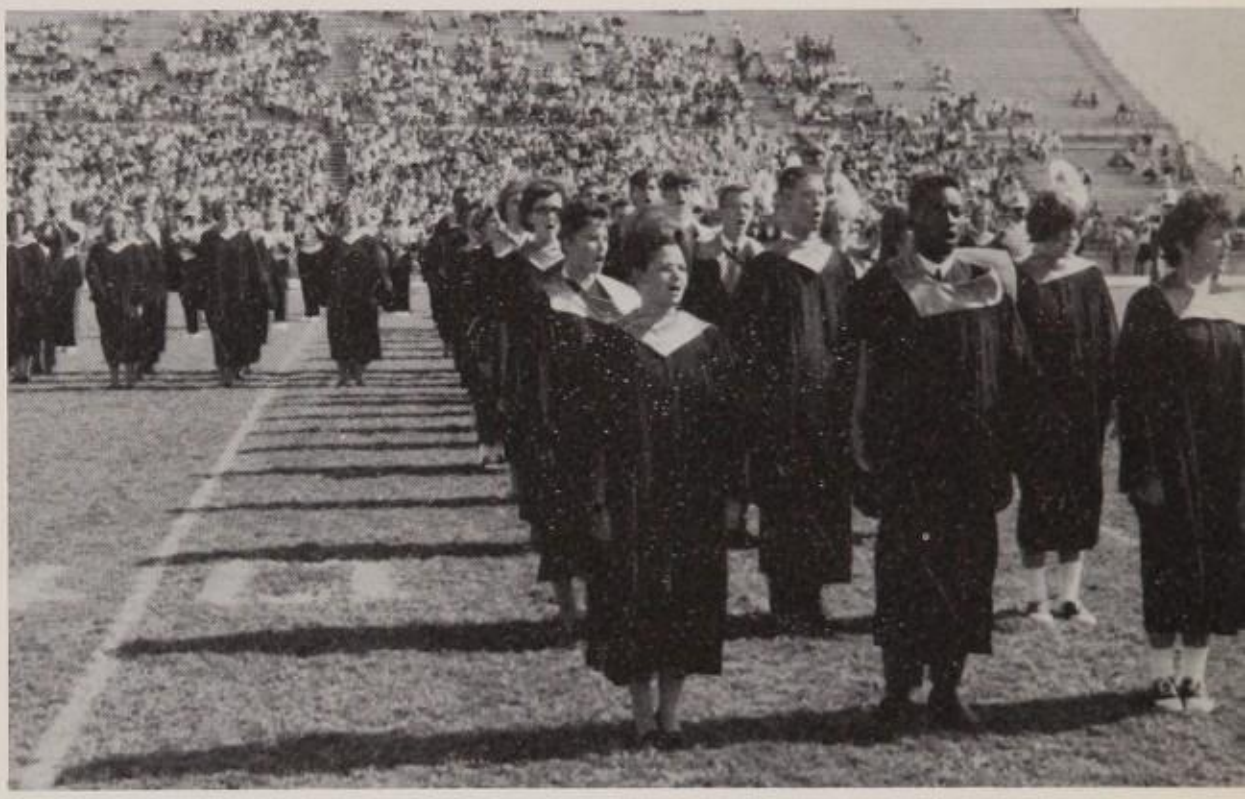
Cutting figures on the field along with the Marching Chiefs are our Majorettes, pictured at left: (from top left) Kavetta Wilcox, Valerie Hines, Sharon Bennett, Brenda Hill, Shirley Gearhart (head majorette), and Phyllis Rosen.

Carol City's orchestra this past year has more than kept up the reputation of previous years. Their orchestral endeavors included a performance of "The Messiah." (pictured above)

The Concert Band, under the direction of Mr. Taffe, has participated in several concerts, and has supplied music for the Christmas assembly. All their performances have been highly commended on the fine sound and quality. (pictured above)

CONCERT CHORUS

The Chiefs' Concert Chorus has participated in many commendable activities this past school year, including the oratorio, "The Messiah", and, of course, the sale of the "World's Finest Chocolate." Chorus, like all other organizations, has a lighter side. Picketing the band room before the band-chorus game would come under this heading. The Chorus won, as usual, in spite of the determination of the band. Carol City can be proud of its Chorus for there is hardly a school in all of Dade County who hasn't heard of the "Miami Carol City Marching Chorus!"



PRESENTS

The National Forensic League represents Carol City state-wide, at all debate tournaments, as well as impromptu, extemporaneous, and dramatic interpretation. The NFL sent students to Tallahassee, Tampa, Palm Beach, and inter-school tournaments throughout the 1967 school year.

FTA

The Future Teachers of America, sponsored by Mrs. Thomas, has offered a tutoring service this year to students who need extra help in their subjects, including language courses. FTA's assistance resulted in A's for many students who participated. Requirements for membership in FTA are a 2.0 scholastic average, with A's or B's in conduct.

FSA

The Future Secretaries of America at MCC, in collaboration with Hialeah and Coral Gables High, earn points within their club, which are then evaluated and judged; the girl with the most points is awarded a scholarship to Miami-Dade Junior College. Points are earned by attending FSA meetings, luncheons, and seminars. Officers of MCC's FSA are: President, Barbara Eldridge; Vice-President, Sandy Spangler; Treasurer, Linda Fritzius; Parliamentarian, Cheryl Watts; Historian, Diane Wilcox; and Chaplain, Linda Welikson. The sponsor is Miss Tobis.

CBE

Cooperative Business Education students attend four classes a day, until 10:53 a.m., and then they go to their respective jobs. CBE guarantees credits toward graduation and, at the same time, provides a workable solution for students who want to go to school **and** work. Employers include Sears, Grants, Food Fair, and Publix. The sponsor of the CBE program is Mr. Champagne.

Art Club

Members of MCC's Art Club have been responsible this past year for the lovely display cases in front of the Art room and in the main office—the most noted one being their "Peanuts" display. In May, they combined with the Home Ec. Dept., to present an Art Exhibit at MCC. Other activities: candy apple sales, Homecoming float, and a field trip to Vizcaya. Officers, at left: President, Janet Leventhal; Vice-President, Sharon Watson; Secretary, Joe Tucciarone; and Treasurer, Eileen McIntosh. The sponsor of the Art Club is Mr. Holler.

German Club

Der Deutsche Verein soll die Studenten von allen Klassen naher zusammenbringen. Der Verein dient dem Zweck das Jnteresse fur die deutsche Sprache, Kultur, Geschichte und Literature zo fordern. Mrs. Love is the sponsor of the German Club.

Mu Alpha Theta

Mu Alpha Theta, sponsored by Mr. Meyer, is an interest club for MCC students who enjoy working with math problems and hearing professional guest speakers explain various phases and careers in the field of mathematics. One of the guest speakers this year was Mrs. M. M. Odem, math director for the school board. Members of Mu Alpha Theta visited the studios of WTVJ (Channel 4), sold plastic covers for the "Chieftain," and presented MCC's outstanding graduating math student with the annual mathematics award.

French Club

Voici le Circle Francais, un groupe de jeunes gens qui s'interessent beaucoup aux francais; leurs habitudes, leurs coutumes, la langue et le pays. Mr. Robinson sponsors the French club; officers are: Pres., Joe Artale; Vice-Pres., George Torres; Sec., Linda Torres; Treas., Sharon Caswell.

Y-Teens

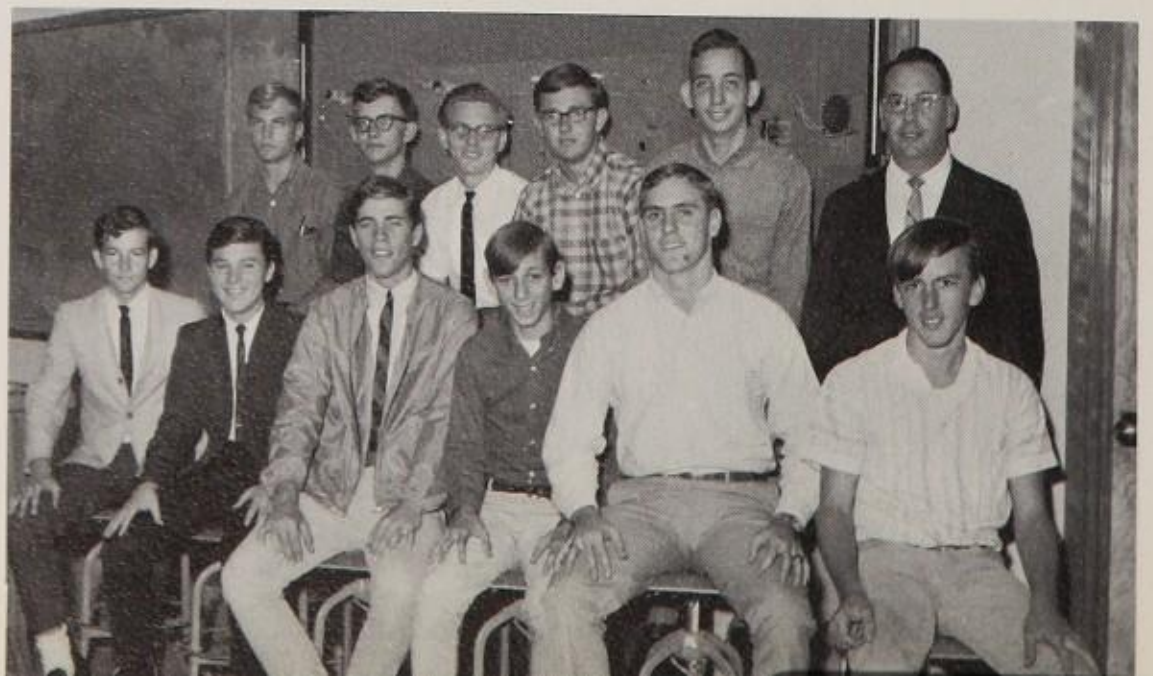
Y-Teens, a branch of the YWCA, is a service organization at MCC, sponsored by Miss Steer. This year, the girls wore maroon blazers to promote the image of their club. Officers: President, Jackie Graham; Vice-President, Nancy Flack; Treasurer, Marsha Chapman; and Secretary, Nadine Barnes.

Chess Club

A chess player achieves fame because of the number of games he wins, and the accuracy, originality, or thoroughness of his game. MCC's chess club has participated in inter-school and county-wide chess tournaments this year, and we think that a Miami Carol City chess player is about as good as they come.

Electronics Club

Members of the Electronics Club are students enrolled in a vocational electronics course at MCC. At the end of the year, these students will receive a 1,080 hour trade certificate, as well as their high school diploma.



Junior Red Cross

MCC's Junior Red Cross this year has sponsored the international chest drive which sends school, medical and recreation supplies, donated by our own students, to any area in the world where the American Red Cross feels there is a need. Another large-scale project by the Junior Red Cross was their candy-striping service at Jackson Memorial Hospital. About 21 girls have actively served in this capacity this year. The sponsor of the Junior Red Cross is Mrs. Kenny.

Grapic Arts Club

Mr. Hopkins, sponsor of the Graphic Arts Club at MCC, supervises regular and extra-curricular activities of students in the Graphic Arts classes. The Graphic Arts Club is for students who want to work on special projects in their leisure time.

Library Club

The members of the Library Club actively encourage MCC students to make use of the library facilities. In other capacities, they have sponsored three bake sales this year, and in May went to Leesburg for a state-wide camp retreat for Library Clubs. Officers are: President, John Van Berkel; Vice-President, Nora Fletcher; Secretary, Richard Van Berkel; Treasurer, Jerome Lee. Miss Leslie Wright sponsors the Library Club.

Fellowship of Christian Athletes

Members of FCA are all athletes at Miami Carol City and all of them take an active part in the church they belong to. This year's officers are: President, Mike Hyrne; Vice-President, Mark Anderson; Secretary-Treasurer, Ralph Conti.

Independent Study

Under the instruction of Mr. Rogalski, students at MCC may take part in a regular study program designed to acquaint the student with the Social Sciences: Sociology, Anthropology, Psychology, Political Science and Economics.

Spanish Club

El propósito de la Sociedad Honoraria Hispánica es Honorar a los estudiantes superiores de Español y aumentar su conocimiento de la lengua y las culturas Hispánicas.

Sports Car Club

"N" stands for neutral, "L" stands for leave, "D" means DRAG . . . ! Mr. Spivey sponsors the Sports Car Club, but Mr. Cripps has loaned them his Austin-Healey "Sprite" and Miss Green her Corvette "Stingray" for this picture.

Tri-M

Members of the Modern Music Masters, a music honors society, have helped usher at the NEA convention, and have contributed to their treasury through bake sales. Tri-M has also made plans for a scholarship program this year. Mrs. Duncan sponsors Tri-M. Officers: Pres., Frank Voran; Vice-Pres., Brad Howarth; Sec., Stephanie Alex; Treas., Curtis Fox; Historian, Nancy McCormick.

Seniors...

Cosmetology

Senior girls taking Cosmetology this year are preparing to take their state board examinations in June, which will qualify them to work in a beauty salon as a regularly paid employee. Under the direction of Mr. Marchando, student cosmetologists learn all the phases of beauty culture, including: Anatomy and Physiology, Manicuring and Pedicuring, hair styling and shaping, hair bleaching and tinting, permanent waving, and beauty salon management. Both Junior and Senior girls have worked with live models this year—the models being mothers and housewives in the Carol City area.

Had you ever realized all the sweat, tears, aspirations, time, effort, wasted nights, money, food, glue, ink, paper, people, rulers, trouble, gas, staples, typewriters, brains, muscles, pencils, lectures, sleepless nights, and just plain hard work that goes into making a six-page SMOKE SIGNAL? Multiply this by eight . . . . . and YOU DARE TO COMPLAIN!

Science Medical

Participants in the Science Medical Club this year have gone on field trips to Northeast Airlines, Cape Kennedy, and the Museum of Science and Natural History. For MCC, they sold candy canes at Christmas, donated a bulletin board to the Science department, and furnished the awards for the annual Science Fair held in our school. Mr. Beardsley and Mr. Pelfrey sponsor the Science Medical Club. The Officers are: Pres., Bob Yankee; Vice-Pres., Roger Schwartz; Sec., Pat Walden; Treas., Tom Metcalf.

Sophomore Class Executive Board

The Class of '69 made a fine showing in their dues drive this year, adding $275 to their class treasury. Officers this year are: President, Scott Besley; Vice-President, Diane Thompson; Secretary, Darlene Pagano; and Treasurer, Joyce Padgett.

Campus Life

Campus Life is a branch of the international organization, "Youth for Christ." The central objective of Campus Life at MCC aims at providing today's student with Christian fellowship on the school campus. Mr. Edwards sponsors the Campus Life organization at our school.

GAA

The girls' basketball team, formed by members of the Girls' Athletic Association at MCC, played its first regular season and came in second in the district, this year. Their most noted project was the sale of CC pennants and iggy dolls. Officers are: Pres., Diane Barber; Vice-Pres., Nancy Whitney; Sec., Sue Smith; and Treas., Penny Biscomb. GAA is sponsored by Miss Townsel and Miss Stanhagen.

Modern Dance Club

"They tiptoed through the tulips in the Carol City dust bowl!" Modern Dance follows no set patterns, but lets the dancer create his own movements and style according to the idea for the dance; MCC's Modern Dance Club manages to retain just a **little** organization, however, under the direction of Miss Singer.

Literary Club

The Literary Club, sponsored by Mr. Snay and Miss Heck, saw "Camelot" performed at Barry College this year, and took several field trips to various cultural centers. Membership in the Literary Club requires a 2.0 average and a willingness to work for Miami Carol City.

Audio-Visual Club

The members of the Audio-Visual Club certainly deserve the thanks of teachers and students at MCC for always being available **and** for always being efficient. Operating film projectors and other such equipment takes skill and patience. Of course, special thanks to Mr. Frisson, who sees to it that they **are** always available and efficient!

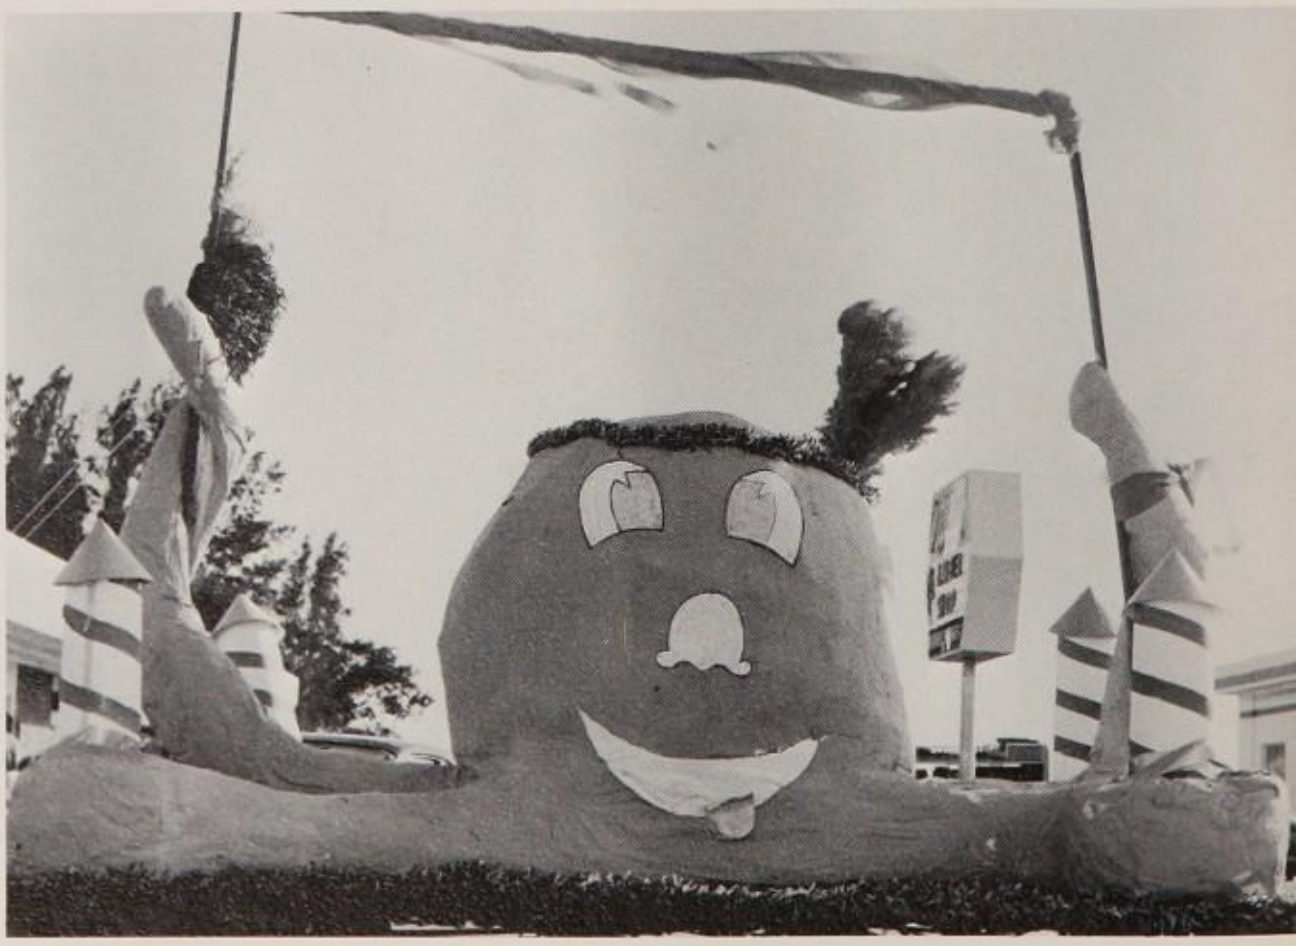
Homecoming 1967

Happiness is...

1966 was the year CC High celebrated its first Homecoming and its first annual parade. Featured in the parade were the Marching Chiefs, the Homecoming Court, CC Jr. High's marching band, and colorful floats sponsored by various clubs and organizations. Pictured right are the two winners, Key Club's "Key to Success" and Honoria's "Lumpy" (Happiness is wrapping up the rockets) One of the main events of Homecoming was a pep rally held in honor of the Class of 1966. CC's auditorium was packed with faculty, alumni and student body—all there to cheer the Chiefs on to a Thanksgiving Day victory.



ALUMNI . . . . . .
Jay Smith, former Drum Major, greets his successor Brad Howarth. Former Varsity Cheerleaders can still get excited! The Chiefs of '66 stand tall and proud. Warren Culbertson, alumni quarterback, (not pictured) was recognized as the first "Great Chief", an award given by Interact Service Club. His picture along with those of future "Great Chiefs" can be seen over the door outside the administration office.

Before A Crowd of 4,000

Thanksgiving Day, a day to remember. Carol City experienced its first Homecoming and second victory over the Central Rockets.

During a pre-game show the Homecoming Court was presented to the crowd of 4,000. Miss Linda Ward, escorted by Bill Pytleski, was then crowned the first Homecoming Queen of Miami Carol City Senior High.

The concert chorus and the Marching Chiefs presented a half-time show long to be remembered. In honor of the class of '66 they presented their class song "People" along with other numbers commemorating Thanksgiving.

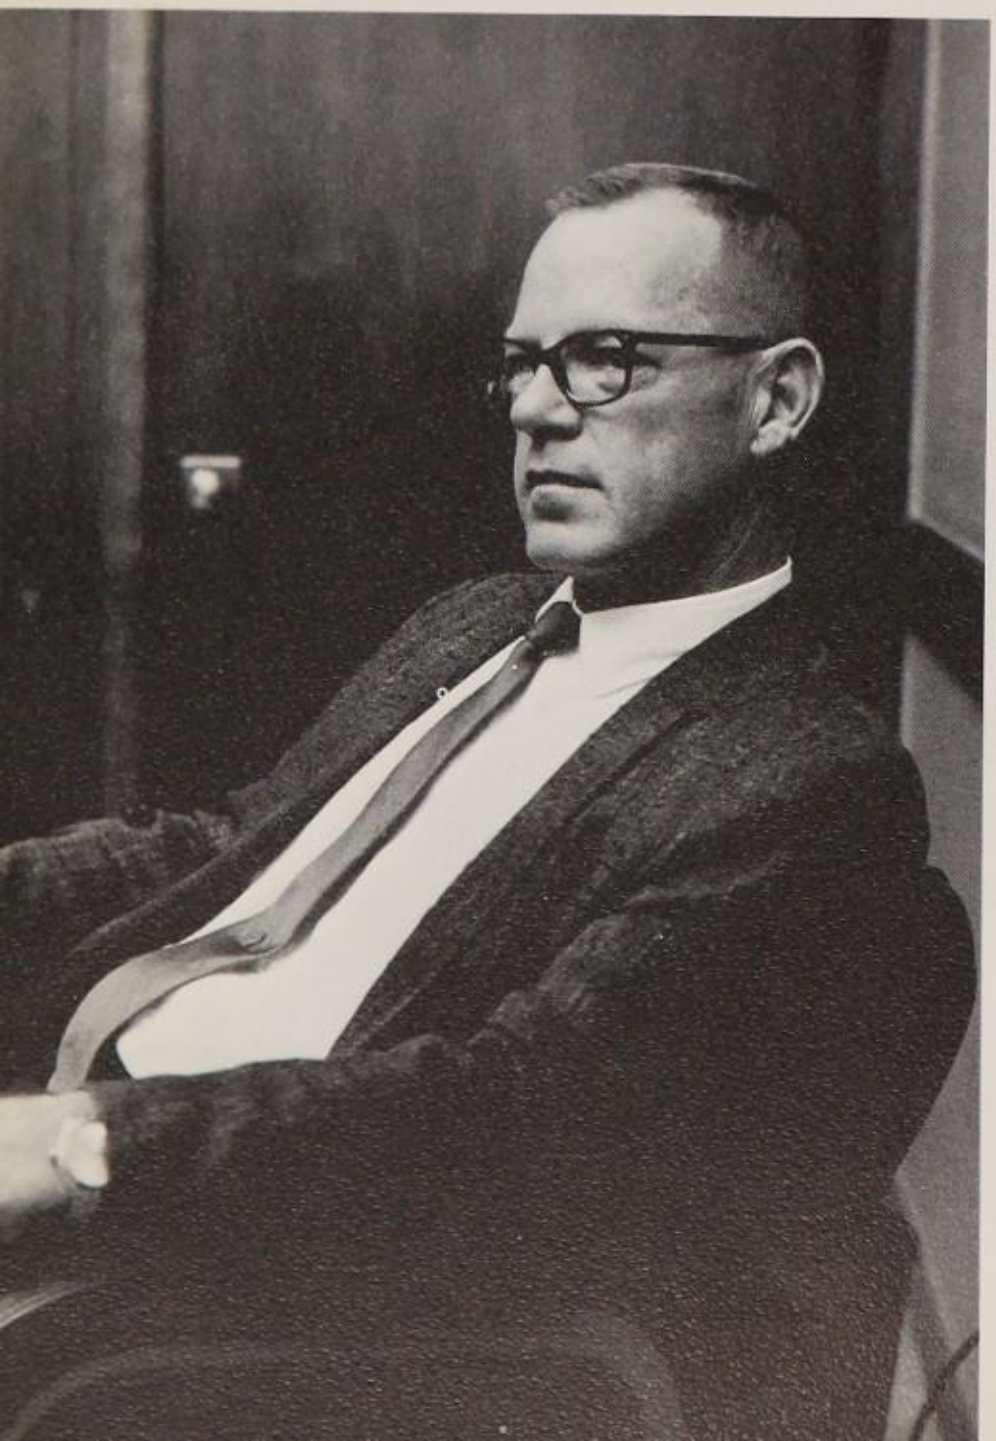
Calendar King Nominees

Charles S. Foster, Chief and Principal of Carol City Senior High, returned to school this year with all of the responsibilities, the firm characteristics, and the typical moods of a leader.

His typical mood.

And another typical mood.

Another typical mood.



And a "typical" mood.

Mr. Martin, Assistant Principal of Administration

ADMINISTRATION . . .

Mrs. True, Assistant Principal of Guidance

Mr. Rogalski, Assistant Principal of Curriculum

MCC's administrative staff manages and directs the student body. It has the responsibility of making the school operate smoothly and efficiently. The administrative staff also handles discipline problems and schedules classes. It is to these people that the student body looks for leadership.

How much? How far? How big? Mathematics answers all these questions. For centuries man has used mathematics to measure things—land, water, objects. Today man is still using mathematics for measuring. From points in endless space to the deepest oceans, all are calculated with mathematics.

BUSINESS EDUCATION

Business Education courses teach students basic skills, such as typing and shorthand, and also prepare them for jobs. Whether basic skills or job preparation, these courses are valuable to almost any student.

MUSIC

Music delights the senses, opening a whole new world to us. Music expresses our thoughts, our emotions: hate, fear, happiness, pride. Music is like a universal language—understood and valued by all.

APPLIED ARTS

Life is an experience—through the Applied Arts one relates this experience to himself and others. One learns how to help in Home Economics. In Graphics one learns hand and mind coordination and gains a background for employment.

FOREIGN LANGUAGE

Languages are the communication lines between peoples. They either help us understand each other, or they separate us by an incredibly wide gulf. Our foreign language department helps us to communicate with others so that we may better understand the world around us.

LIBRARIANS

"There is no frigate like a book to take us lands away." Our library does just this for us. Its shelves hold thousands of books which will be of service for many years. Our librarians have the immense job of cataloging, ordering, and preparing these books for use. It is to them that we owe many thanks for making the resources of the library available to us.

Another year has come to an end and another class has graduated. Never again will we be able to relive the events of 1966-67. Our memories will fade but our lives will go on. Although there is no turning back we can still treasure our right to look back and to recall.

Enclosed within these covers are the lives of all of you—the student body. I'd like to thank each one of you for just being yourself and making our book possible.

Any yearbook takes hours of patience and hard work to create . . . No person can do it alone. No editor has ever had a finer staff or harder working advisor than I have . . . Mr. Percy Dean, Olan Mills Studios, furnished us with top quality photographs and Don Hambrick, from Paragon Press, provided definitely needed advice. To you all I can only say . . .

MANY THANKS,

Bev Dasher

"OUTSTANDING"

I'M so tired I cannot work
But my duty I must not shirk.
November first is the deadline date
So I must work, 'though it is late.
Trimats, pictures, headlines, copy,
Lists, sketch pads, and tri-copy,
All still stare me in the face—
I'll never win the deadline race.
Bleary eyed I work on and on
Burning midnight oil till dawn.
Original ideas from my mind I must raise,
Because I wish to earn the praise,
"Outstanding."
The deadline's met and I may rest,
Knowing that I've done my best.
My goal is reached, my future's bright,
No nightmares plague my dreams tonight.
And so until next deadline day—
My position's saved, hip hip hooray!

What about that, Staff?

Sports Editors: Jim Lind, John Jewell, Skip Bryant, Tom Herring.

Diane Salt, Organizations Editor.

Judy Moore, Student Life Copy Editor.

John C. Cripps, Journalism Advisor.

Well Staff,

He's done an "outstanding" job, you have to admit. He advised when we needed advising. He cracked a bad joke or two when our spirits were down. He tried to yell when we got out of hand, and when the job was through his "well done" made it all worthwhile.

We always knew when he was "leaping around" because we could see his socks that clashed. For that matter everything clashed. He had a boyish face; you know the kind that doesn't change from high school, yet he commanded all the respect of a Marine Officer.

We'll each remember him in a different way. Mr. Cripps, Chief, JC or maybe even Crippsie. But we'll all remember him and the deadlines we did or didn't make, and when we remember him we will pause and say thanks.

"take care,"
Everyone in General

Barb,

Remember all the fun we've had through the years. I hope you have a nice Summer. I'll be looking forward to seeing you next year. Be good and may God bless.

Yeah Chief!

Luff ya,
Mimi

Does going to college pay?

Yes! The U.S. Census Bureau estimates that the average college graduate will earn $170,000 more during his working lifetime than a high school graduate. A college diploma pays dividends!

As our country grows ever more technological, a solid educational background becomes increasingly important in shaping your career.

Congratulations and best wishes to the Class of '67. Go forward with Florida in the exciting and stimulating years ahead. More power to you!
